

We Make Kit Purchases Easy for Students

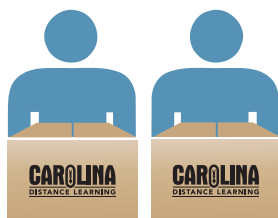

Carolina Distance Learning® makes it easy for you to design a custom kit for your course and choose student purchasing options.

1 Design your custom kit

- Choose from over 200 investigations in 8 subjects.
- There's no obligation. Go to www.carolina.com/distancelearning and select Design Your Course.

2 Choose student purchasing options

We offer two options, and you can choose one or both. We deliver kits directly to students 5 business days after we process their order.

Students purchase from

CAROLINA
DISTANCE LEARNING

We create a web page exclusively for your course that students use to place their orders.

Students can use any major credit card to purchase.

Students can opt for standard or expedited shipping.

Students purchase from the campus bookstore

Students purchase a kit voucher from the bookstore.

Financial
AID

Students can use any payment method the bookstore accepts, including financial aid.

Carolina.com/vouchers

Students redeem the voucher online at our website.

Voucher includes standard shipping.
